

Diamatech's Privacy Policy

This privacy policy discloses the privacy practices for this website. This privacy policy applies solely to information collected by this website.

Information Collection/Use/Sharing

We are the sole owners of the information collected on this site. We only have access to/collect information that you voluntarily give us via a contact submission/RFQ form. We will not sell or rent this information to anyone.

We will use your information to respond to you regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfil your request, e.g. to ship an order.

Unless you ask us not to, we may contact you via email in the future to tell you about special offers, new products or services, or changes to this privacy policy.

Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever we collect sensitive information, that information is encrypted and transmitted to us in a secure way. This is verified by the lock icon in the address bar and looking for "https" at the beginning of the address of the Web page.

Offline, only employees who need the information to perform a specific job (e.g. filling an order form, billing, or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

Contact Us/RFQ Requests

If you submit a request for quote, order, or a request to be contacted, we need to collect certain information from you including name, company, and email. This information is used to contact you regarding the reason you have submitted your request.

Cookies

We may use "cookies" on this site. A cookie is a piece of data stored on a site visitor's hard drive to help us improve your access to our site and identify repeat visits to our site. Cookies are in no way linked to any personally identifiable information.

Data Sharing

We do not share any of the information you leave on our site with third-party organizations, unless required to comply with applicable laws, investigate fraud or security issues, or protect our company's rights, property, or safety.

Links

This website may contain links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

Should you have any questions or concerns, don't hesitate to reach out to us via sources disclosed on the Contact Us page.
